

Dementia Friendly Keighley

Dementia Recognition Award

Welcomes all organisations, businesses and communities who want to become more dementia friendly and actively make a difference to people living with dementia.

Join our pledge to help make Keighley more dementia friendly and assist your employees, customers, participants, friends and families to have better access to services and support and feel more integrated in their communities.

Sign up today and we will talk you through the short action plan process. We will be with you every step of the way, from reviewing your organisation, providing advice, setting your actions and most importantly achieving your award.

To sign up and find out more about the Dementia Recognition Award and the other services and activities we provide contact:
